Memorial Northwest

Progressive Commercial Aquatics

Progressive was contracted by Memorial Northwest as a Design Builder to perform a complete overhaul of the HOA's aquatic facility. The \$4.3 million investment funded a complete replacement of the 50-year-old pool. The project consists of a new 4,750-square-foot competition pool with eight 25-yard lap lanes. It also includes a 7,000-square-foot leisure pool with zero-depth entry, three stair entries, underwater benches, a water walk, play structure, various spray features, and a waterslide.

Club Westside

Progressive Commercial Aquatics

Inspired by the tropical beauty of Maui, Westside Tennis Club collaborated with Progressive Commercial Aquatics, Inc. on a custom design-build project that would offer its members a resort experience unparalleled in the Houston area. Lush tropical landscaping surrounds over 1,000 linear feet of lazy river, 200 feet of action-river, a triple slide mountain, numerous waterfalls, rock work, and grottoes resulting in a unique member experience. A first in the United States slide feature, called the High Fly, allows guests to engage in a one-of-a-kind thrill similar to how a ski jumper feels at the moment of launch. This project was the merger of inspired design, creative engineering, and precise execution.

Houston Marriott Marquis

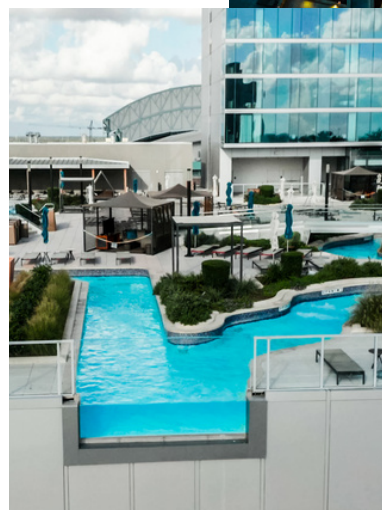

Progressive Commercial Aquatics

This is about as cutting edge as it gets. The vision of a local developer was to take an acre and a half roof top deck and turn it into a water park. Centered around the lazy river in the shape of Texas, we have created a one of a kind destination property that will attract the convention and tourism to the great City of Houston. We are proud to say we took the lead on the design and construction of this phenomenal and iconic water feature.

The park, located at 213 West Texas Avenue, is the first public investment in the historic downtown business district. The focal point of this attractive facility is a 25-foot multi-level fountain, surrounded by an open plaza of cast pavers in novel patterns juxtaposed against colored concrete bands. The whole plaza is enclosed with brick seat walls, raised landscape planters, grassy lawns, and connecting walkways.

Strawberry Waterpark

Progressive Commercial Aquatics

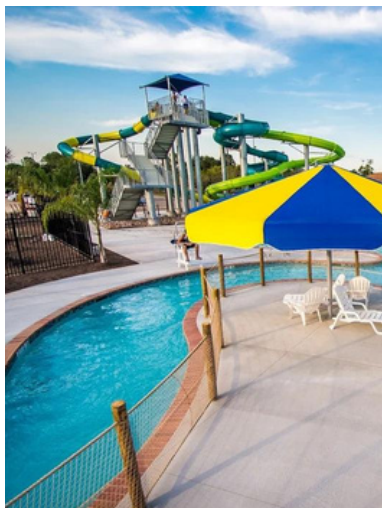

Strawberry Water Park provides many new features including a lazy river, lap pool, play area, cabanas, party rooms that can be rented, concessions, and much more! The Park is a great attraction for families who want to cool off during the hot summer months. Strawberry Park is one of our largest and most used parks in the City of Pasadena. The slide tower is 30 feet tall, there are three sizes of tubes available for the lazy river, including some that seat two people, and there are 10 strawberries in the walk-along section of the pool.
