Longwing Landing - Prairieland Village

Progressive Commercial Aquatics

Longwing Landing is situated on 4.5 acres in Bridgeland's new Prairieland Village with two pools, lawn and event space, barbecue grills and tables, an activity center with an event hall overlooking a 40-acre lake, a rotating butterfly sculpture, and a caterpillar-themed playground. The aquatic features include an iconic butterfly-shaped pool with zero-depth entry, spray features, and sundeck for adults to cool off and unwind. A separate pool, divided by a concrete bridge, will be utilized for lap swimming, fitness, and relaxation. This project is sure to be a prominent aquatic landmark, and one of Progressive's most notorious builds.

Evelyn Rubenstein Jewish Community Center

Progressive Commercial Aquatics

The Evelyn Rubenstein Jewish Community Center features four bodies of water. The outdoor facilities include two leisure pools with zero-depth entries, spray features, a slide tower, a basketball hoop, and a 5-lane, 25-yard lap pool. The indoor aquatic attractions include a 5-lane, 25-yard lap pool with an attached warm pool area for family swim and water walking, and a splash pad with spray toys for flowing water fun. All pools are equipped with heat pump technology to heat and chill water so there's fun for the whole family year-round.

Alief Neighborhood Center

Progressive Commercial Aquatics

This \$52 million project set on a 37-acre park is a one-of-a-kind center for the City of Houston, which houses multiple city departments, such as Health and Human Services, Parks and Recreation, and a public library, all under one roof. The new Alief Neighborhood Center includes a skate park, health center, numerous sports fields, and a 4,300-square-foot leisure pool. The pool features four lap lanes, an underwater bench, zero-depth entry, two stair entries, volleyball net, basketball hoop, and a family slide. The pool can host various swimming and learn-to-swim programs.

Club Westside

Progressive Commercial Aquatics

Inspired by the tropical beauty of Maui, Westside Tennis Club collaborated with Progressive Commercial Aquatics, Inc. on a custom design-build project that would offer its members a resort experience unparalleled in the Houston area. Lush tropical landscaping surrounds over 1,000 linear feet of lazy river, 200 feet of action-river, a triple slide mountain, numerous waterfalls, rock work, and grottoes resulting in a unique member experience. A first in the United States slide feature called the High Fly allows guests to engage in a one-of-a-kind thrill similar to how a ski jumper feels at the moment of launch. This project was the merger of inspired design, creative engineering, and precise execution.

Houston Marriott Marquis

Progressive Commercial Aquatics

This is about as cutting edge as it gets. The vision of a local developer was to take an acre and a half roof top deck and turn it into a water park. Centered around the lazy river in the shape of Texas, we have created a one of a kind destination property that will attract the convention and tourism to the great City of Houston. We are proud to say we took the lead on the design and construction of this phenomenal and iconic water feature.
